

CALL FOR PAPERS

AGNT Analysis, Geometry and Number Theory

We are very glad to announce the new journal **Analysis, Geometry and Number Theory**, devoted to selected publications in analysis, geometry, number theory and their connections. **Analysis, Geometry and Number Theory** is an international, blind peer-reviewed, semi-annual journal published in several issues by Fabrizio Serra editore (Pisa-Roma).

Editorial Board: Sergio Albeverio (*chairman*), Ugo Bruzzo, Corrado De Concini, Gabriele Grillo, Alessandra Lunardi, Matilde Marcolli, Paolo Piazza, Mauro Spreafico, Alessandro Zaccagnini, Umberto Zannier.

Both original papers and review papers are welcome.

We are now seeking submissions for the first issue of 2015. If you plan to write a paper with outstanding original results that fits our subject areas, please consider submitting to our journal.

Submissions may be sent in electronic form as a pdf file attached to an electronic message to the Managing editor: agnt@libraweb.net

For further information, you may see the journal profile at the publisher website www.libraweb.net at the address:
